

## Family of Matthias Bader 1707 GER

Father Matthias Bader born 3 Mar 1707 in Jettenburg, Kingdom of Wuerttemberg, Germany. His name is spelled differently on various records, but the family names establish that he is the same Matthias.

Jettenburg still exists. The churchbells he heard can still be heard to day (see

<http://home.nexgo.de/R.Kemmler>), but the town is now a part of the larger town of Kusterdingen, SW of Stuttgart. In 1752 he took his family to America and they arrived at Philadelphia on 10 Oct 1752 on ship Forrest from Rotterdam & last from Plymouth in England.

His wife & mother of his children was Anna Maria (surname not yet established) who died in Lancaster Co PA about 1757. The widower Matthias married 20 Feb 1758 the widow Magdalen Baltesperger. Anna Maria's children who arrived in Philadelphia in 1752 (one b 1737 died in GER in 1739) were:

1. Johann Georg Bader/George Bader, b 31 Jul 1733 GER, m 2 Oct 1759 Lancaster Co PA, Salome Baltesperger, d/o of his stepmother. He moved his family to Loudoun Co VA where the German Bader was anglicized into the English Border/Borders.
2. Hans Martin Bader, b 12 Oct 1741 GA, not mentioned in further records found so far.
3. Anna Margaretha Bader, b 28 Aug 1745 GER.
4. Mathias Bader, b 26 Jan 1749 GER, no further records found so far.
5. Michael Bader, b 3 Nov 1751 GER, m about 1771 Botetourt Co VA, Mary Hopton, d/o John Hopton who died in 1796 Greene Co TN. Michael was listed as a Borders in the militia lists of Botetourt Co VA and also in the Greene Co TN tax & land records. He later moved his family to what became Jackson Co GA and died there in 1807.
